

ERDWICH
CARDBOARD SHREDDER

FKZ1300
FKZ1600

Advantages and special features:

ERDWICH Cardboard Shredder FKZ

■ Simple maintenance

- | Shredder shaft is easy to remove from the machine
- | Individually populated, replaceable shredder blades

■ Savings on operating costs:

- | Long service life from shredder blades made from hard-wearing custom steel

■ Optimum fine shredding:

- | Specially-shaped shredder blades
- | Adjustable stator comb ensures optimum feedstock handling

■ Wide range of applications:

- | Variable machine size and compact form factor

■ Cost-effective, safe operation:

- | PLC unit featuring automated reverse and power down to protect the machine against damage from overloading or solid parts
