

# Declaration of Conformity

**Manufacturer:** Trygg Nøstet Kjetting

**Standards:** NS 5960:2010

"The committee based its work on the Austrian standard for snow chains for heavier vehicles: ÖNORM V 5119. The Norwegian standard covers ÖNORM V 5119 and has in addition been designed for studded chain and the particular climatic conditions that exist in Scandinavia."

**Product:** Tire chain

This Declaration of Conformity assumes that the manufacturer's instructions for mounting, use and maintenance, is applied to. If however, you perform changes of the design of the chain without our approval, this Declaration of Conformity is no longer valid.

**Place / Date:** Kristiansand, Norway 7<sup>th</sup> of February 2013
